

NAIL TRIM DAYS

At Your Property!

Host a "Nail Trim Day" Soon!

Bella Mio Cat Grooming was founded after years of showing and grooming cats. We take that expertise to the public by offering House Call Full Groom services as well as "\$15 Nail Trim Days" at apartment complexes and Senior Communities.

We set up in your lobby or near your entrance (weather permitting) and residents bring their pets for nail trims during a 4, 6, or 8 hour time slot. We bring a 6.5' privacy tent so that fur babies can't run off, and provide signage for the event as well. Proper sanitation measures are adhered to.

We typically book every 4 weeks, but some properties have us out every 2 weeks

Benefits of hosting a Nail Trim Day:

- ▶ Convenient service for your residents
- ▶ Minimizes wear & tear on carpets/flooring
- ▶ Health benefits for the animals
- ▶ Social opportunity for pet loving residents
